ABOUT THIS PROPERTY

Absolute showpiece at Ocean Plaza in Deerfield Beach. This is the only fully reengineered 3BR/2BA + powder room residence with all the modern amenities and finishes. Not a renovation – a total transformation. Walls were removed and redesigned to create a dramatic open-concept living area with high ceilings, impact glass, wide-format designer flooring, custom cabinetry, waterfall-edge quartz, premium appliances, and state-of-the-art lighting. Perfect for entertaining at scale, featuring oversized island seating, sleek modern lines, and abundant storage. The primary suite delivers a resort-style retreat with a walk-in closet, a private bathroom worthy of a five-star resort. Two additional bedrooms provide flexibility without compromising sophistication. Private beachfront access, a heated pool, and the Deerfield Beach Pier complete the offering. Turnkey. Structurally reimaged. Architecturally distinct. Unlike anything else in the area.
