ABOUT THIS PROPERTY

This fully renovated apartment, completed in 2023, offers a modern luxury lifestyle. The kitchen was fully redesigned with custom cabinetry, quartz countertops, and matte black energy-efficient appliances. LED lighting throughout the unit enhances the modern aesthetic, while low-flow plumbing fixtures—including toilets, Roman tubs, and glass-enclosed showers—add both style and efficiency. All flooring was replaced: elegant plank flooring spans the living areas, while porcelain tile graces the bathrooms. The HVAC condenser was updated two years ago, ensuring comfort, and hurricane impact windows—including expandable sliding balcony doors—provide security and space. Every interior door, along with matte black hardware and barn closet doors, completes this cohesive, sophisticated design. A truly turnkey opportunity. Buyer/Broker must verify all info. All info deemed reliable but not guaranteed. Errors, omissions, changes, withdrawal may occur. *Buyers are advised to independently verify square footage, permits, and property details.
