ABOUT THIS PROPERTY

Miami Design District Townhome at One Bay. One Bay is a small luxury townhome community with only 38 residences, tucked into a small building. The 2-bedroom townhome offers the rare combination of a private garage, direct-entry living, dramatic double-height windows, creating the feeling of looking into a private jungle while being in the heart of Miami. What makes One Bay special is that it lives up to its name. You park in your own private garage and walk directly into your own home. The community is quiet, residential, and mostly overlooked. It's unheard of for a newer, high-end community in this location. One Bay offers privacy, low carrying costs, a true neighborhood feel, and a Biscayne Bay view.
