ABOUT THIS PROPERTY

One of only a handful of residences in the building with an extended wraparound balcony – and the only one currently available – this beautifully curated 2-bedroom + den, 3-bath residence on the 34th floor has been thoughtfully upgraded throughout – custom finishes, top-tier appliances, and a full suite of amenities – is a home that feels designed, not dressed. The wraparound balcony delivers panoramic bay and Miami skyline views across the city at this price point. Whether you're having morning coffee or entertaining at night, it changes how you live in the space. Inside, floor-to-ceiling windows, top-tier appliances, complemented by a split-bedroom layout and a flexible den that functions equally well as a third bedroom, home office, or gym. The building's amenity collection unmatched anywhere in the world – five pools, rooftop sky deck, spa, golf simulator, basketball court, yoga studio, and more – is the best of Downtown Miami and Miami Worldcenter.
