ABOUT THIS PROPERTY

Picture this: golden light spilling across the golf course each evening, right from your own private terrace. It's the kind of view easy entertaining. The eat-in kitchen showcases Poggenpohl cabinetry, opening to an oversized living room & separate dining room. The master suite features a walk-in shower, along with new carpeting in the bedrooms and California closets throughout. Then there is the building itself with a restaurant helmed by Chef IP of Perl, unwind in the full-service spa, or sweat it out in the health club & spin studio before a sunset swim. All residents will have access to private docks for water sports. But don't worry - there is a stunning 2nd pool available! Best of all, this is a 2,080 sq ft in the heart of Aventura along the Don Soffer Exercise Path, moments from the Aventura Mall & area houses of worship.
