ABOUT THIS PROPERTY

Look no further. This superb and spacious 3br & 2ba corner unit condo on a golf course in Pompano Beach's Palm-Air (membership and/or no equity fees). This spacious condo was tastefully remodeled in 2018 with the latest trends in home interior design with an infusion of comfort and elegance. The building is in top shape having passed all required Florida engineering requirements including a brand-new roof in May 2025. Among the most important renovations are: a seven year old AC system, a hot water heater, electrical breaker box, and hurricane-impact windows (all work was performed with the city of Pompano Beach necessary permits). I say no more cause a picture is worth a thousand words"see for yourself, and look at the pictures included here.
