ABOUT THIS PROPERTY

Most listings say "near the beach." This one is literally steps away. Positioned just off the iconic Hollywood Beach Biscayne Intracoastal Waterway on the other. Opportunities like this are incredibly scarce, with very few true houses this close to the beach for personal use. The open layout is filled with natural light, featuring a modern kitchen built for entertaining and multiple updated bathrooms. Perfect as a vacation home, or income-producing asset. Outside, the property transforms into a private retreat with a brand-new pool and spa area, including a 2-car garage plus additional spaces—an absolute premium this close to the Broadwalk. Live where others don't own a true beachside home with space, parking, and lifestyle that is nearly impossible to replicate in today's market.
