ABOUT THIS PROPERTY

NO HOA. NO GARAGE. This is the only property in the area offering a "two-in-one" option—an ideal layout, especially for large families. The property features a main floor with a living area, dining area, and kitchen plus a DEN and a half-bath downstairs (\$4,000), and completely independent apartment featuring its own bedroom, bathroom, and children's play area; landscaping and trash removal services are included in the rent. The property features a roof in good condition, a central air conditioning system, a Security Deposit Box in the master suite. The second-floor windows are protected by shutters, while the ground-floor windows are secured with steel appliances, and a kitchen with granite countertops. On the second floor, you will find three bedrooms, each with its own closet. The property is located on a quiet street off of West Kendall Ave and the Turnpike, as well as pharmacies, restaurants, West Kendall Baptist Hospital, excellent schools, and shopping centers.
