ABOUT THIS PROPERTY

Shenandoah's most impressive home is finally available. This 4-bedroom, 2.5-bath pool home has been upgraded with the kitchen induction range sits beneath a commercial hood, accompanied by a panel-covered double-stacked dishwasher, panel-covered the 10-foot-plus island, which features double-deep cabinetry along the seating side, offering storage that most kitchens can't and a generous walk-in closet. The home includes a thoughtfully designed ADA-modified bathroom, making this home as practical as a skylight adds a unique accent to the family room. The screened pool and generous patio create a private setting for entertaining. Porcelain tile flows through the common areas, ceramic tile carries into the bedrooms, and a newer AC keeps everything cool.
