## ABOUT THIS PROPERTY

---

A rare sense of calm in the heart of Kendall. Located within the guard-gated community of Kings Court, this impeccably main across two thoughtfully designed levels, the residence blends timeless comfort with carefully considered updates. The kitchen, the primary and secondary baths have been refined with double vanities and elevated finishes, while the home itself opens to a private courtyard-style setting layered with pavers, pea gravel, mature landscaping, and a stone fire pit design. This is a residential atmosphere that has made Kings Court one of Kendall's most admired communities. Residents enjoy access to top Indian Hammocks Park, shopping, dining, and major thoroughfares. A home with presence, care, and a sense of permanence.
