ABOUT THIS PROPERTY

Original owners are saying goodbye to the home they have loved in the gated community of The Meadows. Coral Gables' Mediterranean-style home features a large front porch, and custom lighting. The fully fenced backyard is a private tropical oasis with lush landscaping, an awning, summer kitchen, and covered overhang create the perfect setting for outdoor living. Inside, real wood floors flow through the foyer, living room, dining room, and kitchen. The chef's kitchen captures a warm Coral Gables feel with terracotta floors, shaker wood cabinetry, black leather antique granite, and a full suite of appliances. The master bedroom, currently used as an entertainment room, and full bath are on the first floor. Upstairs, the expanded primary suite includes a walk-in closet and separate shower. Highlights include epoxy garage floors with cabinets and a work bench, custom lighting, and timeless finishes.
