ABOUT THIS PROPERTY

Welcome to 10121 E Broadview Drive, a rare waterfront gem perfectly positioned in the coveted Bay Harbor Islands. This property is a rare find, offering a unique opportunity to own a piece of the future. The property is located on a prime waterfront lot, with unobstructed views of the Biscayne Bay and the surrounding island landscape. The property is currently in the process of being developed, with plans for a modern, waterfront residence. The property is situated in a highly sought-after neighborhood, with access to world-class amenities, including upscale shopping, dining, and entertainment options. The property is also conveniently located near major transportation routes, making it easy to get around the city. The property is currently under construction, with completion expected in the near future. The developer is offering a variety of options for potential buyers, including the ability to purchase the property as is, or to have it fully renovated to the buyer's specifications. The property is a great investment opportunity, with the potential for significant future appreciation. The developer is currently accepting reservations for the property, with early bird discounts available for those who act quickly. The property is a unique opportunity to own a piece of the future, and is sure to be a valuable addition to any investment portfolio.
