## ABOUT THIS PROPERTY

---

Completely remodeled single-family home for sale on SW 20th Street in the heart of Kendall. This exceptional residence offers an open and functional layout with elegant flooring, custom details, and abundant natural light. The gourmet kitchen showcases include a luxurious primary suite with a spa-inspired bathroom and generous closet space. All bathrooms have been tastefully updated with new fixtures and windows, along with solar panels that significantly reduce electricity costs. The property also features a private outdoor space. This is a fully renovated, energy-efficient home in one of Kendall's most desirable areas. There are two options regarding the purchase price: a discount of \$100,000 can be applied, in which case the buyer assumes responsibility for the solar panel lease payments.
