## ABOUT THIS PROPERTY

---

A rare opportunity to own a newly completed modern estate in the heart of prestigious Pinecrest. Set on a quiet, tree-lined street, this architectural masterpiece blends bold contemporary design with refined luxury and exceptional craftsmanship. Walking above the pond entrance feature, taking in the striking facade and through the dramatic solid-wood pivot door into the grand double-height home makes an immediate impression. Walls of glass flood the interiors with natural light and create a seamless connection between expansive living spaces and the outdoors—ideal for both everyday living and elegant entertaining. The residence offers eight bedroom suites, each with a private spa-inspired bath. The primary suite is a true retreat with a lavish bathroom, oversized closet, huge balcony and serene views. The chef's kitchen is a showpiece, featuring brand new appliances, custom cabinetry, an oven and walk-in pantry, opening to sophisticated family and dining areas. Designed for indoor-outdoor living, the resort-style backyard features a stunning resort style pool with swim-up bar and spa, a concrete gazebo with summer kitchen, and lush landscaping—your complete outdoor oasis. Additional highlights include a dramatic skeleton staircase, media room, huge laundry, service quarters and a multi-car garage. In a neighborhood of top-rated schools and parks, this is not just a home—it is a statement.
