ABOUT THIS PROPERTY

Located on a high floor of Metropolis II, Unit 908 offers a refined balance of view, condition, and layout key drivers of long term value. The unit features a fully unobstructed skyline view, a protected outlook that enhances both daily living and resale strength. The interior layout is well-thought-out, with large windows frame the skyline and provide consistent daylight throughout the day, reinforcing the unit's elevated position while maintaining functionality. Its integration with the main living space supports an open flow without compromising sight lines or scale. Both the kitchen and bathroom have been updated with modern fixtures and finishes, supporting long term usability. A notable upgrade is the brand-new air conditioning system, eliminating a major near-term expense. Properties with this level of certainty tend to attract decisive interest. Showings available by appointment.
