## ABOUT THIS PROPERTY

---

This well-maintained Redland property features 4 bedrooms and 3 bathrooms on a 2.31-acre agricultural-zoned lot. The home includes a large pool, a covered patio, and a variety of tropical trees, including mango, sour sop, and custard apple, and currently holds an agricultural tax classification for the trees. Interior features include impact windows and doors, a large kitchen island, and a formal dining room. The property also includes a covered RV parking area and an air-conditioned outdoor storage building. The lot is zoned for agricultural use, outdoor activities, or future expansion. Located in the heart of Redland, the property offers a quiet setting within an agricultural-residential community of South Florida.
