ABOUT THIS PROPERTY

PH5304 at Flatiron Brickell is a rare trophy sky residence conceived by visionary developer Ugo Colombo, architect Luis Rev. Spanning 2,418 square feet of impeccably curated interiors, this exceptional home captures sweeping, unobstructed breathtaking sunsets as its daily backdrop. Originally designed as a four-bedroom layout, the residence has been masterfully reimagined into three bedroom suites, 4.5 baths, and a private den. The removal of the fourth bedroom creates a grand, open-concept living space with abundant natural light and flow while preserving the option to restore the fourth suite if desired. Floor-to-ceiling impact glass and soaring ceilings allow light to flood the space, complemented by bespoke custom closets, elegant cove lighting, and a state-of-the-art Italian kitchen designed for entertaining. Enjoy one of the most impressive amenity collections in Miami, including a sky-level pool with panoramic views, spa and steam room, fitness center, yoga and Pilates studio, children's playroom, movie theater, 24-hour doorman, and concierge service. Fully furnished and impeccably maintained by its sole owner, this turnkey penthouse includes two assigned parking spaces plus a private storage unit. Centrally located, this residence defines elevated luxury living in Brickell.
