ABOUT THIS PROPERTY

Luxurious estate located within the gated and highly sought-after community of Royal Oaks. This Mediterranean-inspired home offers a spacious living space, featuring six bedrooms and five bathrooms. Built entirely of concrete, including the second floor, the residence is finished with a custom medallion that leads into spacious interiors with high ceilings, classic architectural details, and marble flooring throughout. The layout includes three guest bedrooms with private en-suite baths and an expansive primary suite of over 900 square feet, complete with a walk-in closet. High-impact windows and doors enhance security and energy efficiency. A second-floor kitchenette with washer and dryer is located near a two-car garage with marble flooring that completes the home's interior. The backyard oasis is equally impressive, featuring a marble deck, a tiki hut—perfect for entertaining or relaxing in privacy.
