ABOUT THIS PROPERTY

Owners are retiring in Europe so it's time to sell! Overall, this is an excellent buy and ideal value for your money. Corner residence at the Fairways Riviera facing the ocean and with open views of the Intracoastal waterway. The property is in excellent condition, needing minor decorations - with newer kitchen and bathrooms, and a very spacious living area. The master bedroom has a large walk in closet, while the second bedroom has a dual closets, plus two utility closets in the living room. The added feature is a compact washer/dryer inside the unit. The balcony fits a full dining table and is protected with a net, so you can pleasantly enjoy throughout the day. The property gets a nice breeze off of the causeway and a lot of sun. The views in the evening are just amazing. The building has passed the 50 year recertification and is managed very professionally. The location is just perfect - minutes from the beach as well as shopping (Walmart and Winn Dixie supermarkets are walking distance, with bunch of restaurants and bars in the area).
