ABOUT THIS PROPERTY

Impeccably renovated loft-style condo in the heart of Hollywood, Florida, blending sophisticated design with open-concept living. Originally configured as a two-bedroom, the interior space has been reimagined into a striking open loft with soaring 11.5-foot ceilings, creating a light-filled interior with dramatic volume. The designer kitchen anchors the living area and features a custom-built oversized island with generous storage, prep space, and seating—ideal for entertaining. Premium appliances include an induction cooktop with a custom downdraft ventilation system, double wall oven, and built-in wine cooler, maintaining clean sightlines while complementing the sleek aesthetic. Renovated bathrooms showcase refined finishes and a spa-inspired feel. Upgrades include keypad entry, motorized window blinds, soundproof flooring, and custom solid-core interior doors. Major system updates—new electrical wiring, upgraded electrical panel, and a brand-new water heater—enhance efficiency. The spacious private patio extends the living area outdoors. A rare highlight is two covered parking spaces—one deeded plus a grandfathered leased space, a valuable feature within the building. Ideally located close to Hollywood's vibrant dining, shopping and beautiful beaches, this turnkey property offers refined living in a prime South Florida location.
