ABOUT THIS PROPERTY

You have to come see this placeâ€”it is honestly massive, and the best part? NO Homeowners Association; you have total freedom with the porcelain floors running throughout the first floor. There's a full bedroom downstairs in addition to generous living space that can be added and the side can fit a boat or RV. The upstairs primary suite is the real showstopper; it's basically its own wing with a fireplace, a large walk-in closet, and a private bathroom. It's perfect for reading a book or just finding peace! Down the hall, three comfortable bedrooms share one bathroom. Enough about the incredible features; come see it in person. Since there's an undeveloped preserve right in front, you don't have neighbors looking into your front windows; it's just peace and quiet. Shopping is nearby, so you're never far from anything. It's the perfect find for anyone who wants bigger inside space with a manageable exterior.
