ABOUT THIS PROPERTY

Welcome to one of the most exceptional residences in South Brickell. Positioned at the end of a quiet cul-de-sac in one of Miami's most serene waterfront enclaves, this rarely available Vista Residence at UNA offers an unparalleled blend of privacy, scale, and design. Spanning 5,489 SF of interior living space, plus 966 SF of expansive terraces, this 5-bedroom, 6.5-bathroom home is only one of four of its kind in the building with 4 assigned parking spaces. The thoughtfully designed layout features a generous family room and breathtaking 180-degree panoramic views of Biscayne Bay and the Miami skyline, creating a seamless indoor-outdoor living experience. The primary suite is a private sanctuary, complete with separate his-and-hers bathrooms and spacious walk-in closets. Floor-to-ceiling glass, refined finishes, and a flow-through design elevate the residence with natural light and unobstructed views from nearly every room. UNA is a boutique waterfront building inspired by the elegance of classic yacht design, masterfully envisioned by Adrian Smith + Gordon Gill Architecture, with lush landscaping by Enzo Enea. Residents enjoy an exceptional collection of amenities. Ideally located just minutes from Coconut Grove, Downtown, and Key Biscayne, with easy access to major highways, this residence offers the perfect balance of tranquility and connectivity.
