ABOUT THIS PROPERTY

Beautiful ranch-style home featuring 5 bedrooms and 3 bathrooms in the Redlands, situated on a corner lot in an exclusive location. Built in 2001, the home boasts high ceilings and an open floor plan; thanks to its structural design, the living space can be easily expanded in any of its areas. All entryways are protected by impact-resistant glass and/or shutters. A perimeter metal fence and three spacious electric gates ensure privacy and facilitate easy access. A fully modified shipping container located on the exterior side features a bathroom and a space for relaxation or recreation, while a second container is set up for storage—both serving as excellent additions to the main residence.
