ABOUT THIS PROPERTY

Luxury living meets rare opportunity! Updated 5-bedroom, 3-bath home offering 3,550 square feet on an oversized 18,000+ sq ft lot. Create an open, functional layout, finished with limestone flooring throughout. Two bathrooms have been fully renovated with exterior access, and additional room with its own AC—ideal as a fifth bedroom, playroom, or additional living space. The primary bedroom features a walk-in closet, a fireplace, and a private bathroom. The kitchen is equipped with granite countertops, stainless steel appliances, and a propane gas system servicing the water heater and kitchen range. The backyard is designed for entertaining with a covered patio and a future outdoor kitchen. Two separate driveways and an air-conditioned storage structure add flexibility. Located in a well-established neighborhood, this property is a must-see!
