## ABOUT THIS PROPERTY

---

Welcome to Country Walk - where this immaculate 2/2 has been remodeled from the ground up with an uncompromising eye for detail. This home features a new water heater (2022), brand-new electrical breaker box, and completely new plumbing - with zero polybutylene pipes. This is a modern home with a white blinds frame every window with effortless style. The kitchen is the showstopper - a wall was removed to open the living space, featuring a contrasting tile backsplash, and brand-new appliances. No detail was overlooked. The primary suite delivers a true retreat: a master bedroom paired with a lighted vanity mirror with defogger and adjustable light settings, and a generous walk-in closet. Step outside to a covered patio for friends alike. Hurricane-impact sliding doors and windows throughout. Two dedicated parking spots right at your front door. This is a home you won't want to miss.
