ABOUT THIS PROPERTY

This 5 bed, 5.5 bath residence, new construction and never lived in, offers over 4,000 sq ft of contemporary architecture, a covered terrace. The home features fully finished custom wood closets and sleek backlit LED mirrors in all bathrooms, adding both seamless indoor-outdoor living experience. The home is fully pre-wired for a smart home system, including lighting, security, and more, all included in the purchase, with final selections tailored to the buyer. Pre-selected design and automation options have already been negotiated at the time of closing. In a market where land alone in Key Biscayne trades in the multi-million-dollar range, own this exceptional opportunity at this price.
