## ABOUT THIS PROPERTY

---

Architecturally refined single-family residence with completion scheduled for January 2026. Offering 4,300 SF of interior space, this thoughtfully designed home features 4 bedrooms, 5 bathrooms plus a powder room, service room, and an additional open flex-room with plumbing ready to convert into a full fifth bedroom with en suite bathroom. Designed in collaboration with an interior and yacht designer, the residence offers a highly functional floor plan with exceptional storage, clean modern lines, and beautifully curated natural light. The arrival experience is framed by a leather-finished travertine façade and a two-car garage. Seamless indoor-outdoor living connects the open layout to a summer kitchen, internal garden, pool, and sun-kissed south-facing outdoor area. A sculptural internal tree is intentionally showcased throughout the home, becoming a defining architectural focal point. The primary suite is a true retreat, featuring a spa-inspired bathroom with teak flooring in the shower and views toward a custom-designed private natural vertical garden wall, curated with plant selections chosen specifically for this space. High-end finishes, integrated systems, and generous storage complete this exceptional residence. Located in Keystone, a gated community just five minutes from Bal Harbour Shops and the beaches, this home offers privacy, convenience, and an elevated coastal lifestyle.
