ABOUT THIS PROPERTY

Welcome to waterfront living in the heart of North Miami. This bright corner unit at Keystone Gardens places you steps from the water. The open-concept layout seamlessly connects the kitchen — updated approximately 10 years ago with a peninsula, modern cabinetry, and a large island — to the living and dining areas. Natural light pours in from two directions, and brand-new high-impact windows and doors throughout offer South Florida storage space. The HOA covers water and sewer, keeping your monthly living costs refreshingly straightforward. Step outside to a lush courtyard. The building sits directly on the canal with Biscayne Bay moments away. Set in the vibrant Arch Creek neighborhood, enjoy quick access to everything you need. Whether you're a first-time buyer, an investor, or looking for a South Florida retreat — this is the one.
