ABOUT THIS PROPERTY

Privately commissioned and custom-built in 2018, this steel-and-concrete Architectural Estate is a rare expression of modern expansive, nearly half-acre homesite (20,909 SF), the residence is organized around a dramatic open-air central pavilion designed to balance connection and privacy, the floorplan features a private primary wing, separate guest and multi-generational impact glass, and refined contemporary finishes throughout. Expansive retractable glass walls dissolve the boundary between pavilion with summer kitchen and event storage, and western exposures capturing beautiful South Florida sunsets. Equipped gallery and storage space, circular motor court, covered carport, and parking accommodations for approximately 15 vehicles to be experienced. Exceptional location in Miami's Western Coral Way corridor. There is no other in comparison.
