ABOUT THIS PROPERTY

Experience luxury living at One Hollywood Residences, a premier luxury condominium experience in the city's heart, combining 4' x 4' porcelain tile floors, European style kitchens with Bosch Appliances and Quartz countertops, curated by acclaimed interior designers, private beach club membership, and an on-site ground-floor restaurant — all just 10 blocks from the beach and steps from Hollywood Boulevard. The building's design is a modern interpretation of the classic Hollywood bungalow, featuring a light-colored, textured facade and a prominent, curved roofline. The building is surrounded by lush landscaping, including palm trees and tropical plants, creating a sophisticated and welcoming atmosphere. The interior of the building is equally impressive, with high ceilings, large windows, and spacious, open-concept floor plans. The kitchens are equipped with high-end Bosch Appliances, including stainless steel refrigerators, dishwashers, and built-in ovens. The bathrooms feature large soaking tubs and walk-in showers. The building's location is ideal, situated in the heart of Hollywood, just a short walk from the beach and the city's most famous landmarks. The building's design and amenities make it a truly unique and desirable living space.
