## ABOUT THIS PROPERTY

---

Perched on a high floor at Hyde Midtown, this fully renovated corner residence pairs unobstructed bay views with refined custom finishes and move-in-ready ease. With 3 bedrooms, 3.5 baths, an oversized terrace, 2 deeded parking spaces, and private storage, this is one of the building's most compelling layouts. Thoughtfully redesigned with a sophisticated, design-forward sensibility, the home features a kitchen with premium finishes and appliances, beautifully layered living and dining spaces, bespoke lighting, and elegant materials. Floor-to-ceiling glass frames sweeping water and city views, while the spacious terrace extends the living experience outdoors. The master suite is a calming retreat with a spa-like bath and custom details, while each additional bedroom is well-scaled and en suite with built-in storage, creating flexibility for guests, family, or work-from-home living. Set in one of Miami's most dynamic locations, Hyde Midtown is just steps from the Design District, Wynwood, Edgewater, and some of the city's best shopping, dining, and culture. A turnkey, high-style home with all the amenities and conveniences buyers are looking for. Furnishings negotiable.
