FOR CORRECT REPRESENTATIONS, MAKE REFERENCE TO THIS BROCHURE AND TO THE DOCUMENTS REQUIRED BY SECTION 718.501, FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER. Stated square footages are measured to the exterior boundaries of the exterior walls and the centerline of interior dividing walls and do not vary from the square footage and dimensions that would be determined by using the description and definition of the "Unit" set forth in the Declaration (which generally only include components and other exterior elements). This method is generally used in sales materials and is provided to allow a prospective buyer to compare the Unit's with units in other condominium projects that utilize the same method. For your reference, the area of the Unit, determined in accordance with these defined unit boundaries, this floor plan are generally taken at the farthest points of each given room (as if the rooms were a perfect rectangle), without regard for any closets or walkways. Accordingly, the area of the actual room will typically be greater than the product obtained by multiplying the stated length and width. All dimensions are approximate, sizes of windows and doors, and other development plans are subject to change and will not necessarily accurately reflect the final plans and specifications for the development.
