## ABOUT THIS PROPERTY

---

Thoughtfully updated and maintained, this luxury seaside residence in Hillsboro Shores blends architectural charm with modern living. The home's signature European copper turret anchors the design, featuring an elegantly curved dining room and a light-filled living area. While a sculptural floating staircase adds architectural interest, the chef's kitchen offers high-gloss cabinetry, Bosch and Dacor appliances, and a spa bath with champagne-bronze fixtures, soaking tub, and separate shower. All baths feature premium finishes. Additional features include a backyard with a veranda with summer kitchen, a 10'x28' saltwater pool with waterfall, copper-patina lighting, and tumbled stone accents. Hardwood floors, natural gas, and an inspection complete this turn-key home. Ask for access to our property page, brochure and more information.
