## ABOUT THIS PROPERTY

---

Exceptional new construction residence underway in one of Coral Gables' most distinguished residential pockets. Designed by Pacheco Architecture, this 6-bedroom, 7-bath estate will span approximately 7,000 square feet and sit on a 10,758 SF parcel along tranquil San Vicente Street in the coveted Riviera Section. The thoughtfully designed floor plan prioritizes natural light, generous living spaces, elevator access, and a seamless connection to the outdoor areas, including a pool and landscaped grounds. A well-balanced layout allows the home to accommodate both daily living and entertaining, while the tranquil setting creates the feel of a private residential retreat. Ideally located near the University of Miami, Riviera Country Club, Merrick Park, and top-rated area schools, the property places future owners in the heart of Coral Gables with anticipated delivery in Q4 2027.
