ABOUT THIS PROPERTY

This beautifully designed home showcases a modern coastal aesthetic with an open-concept floor plan, Italian screen-printed throughout, while marble flooring in the primary bedroom adds a luxurious touch. The expansive primary suite is a true retreat, and the living areas flow seamlessly into a bright, stylish kitchen - perfect for entertaining - complete with white marble countertops, soaring ceilings, and a large island. The property is enclosed by a wall and offers ample space for a future lap pool. Additional highlights include dual driveways and a covered carport, and Pompano Beach's rapidly expanding amenities and infrastructure. Notable upgrades include a 2013 roof in excellent condition, hardwood floors, 3 bedrooms, 2.5 bathrooms, and the easy potential to convert to a 3-bedroom layout without sacrificing the garage (simply add a wall).
