ABOUT THIS PROPERTY

While Brickell continues its vertical ascent, Colette Residences takes a more intentional approach: an exclusive collection of vibrant energy of South Brickell and the refined tranquility of Coconut Grove, Colette introduces a new rhythm of urban living in the Miami sky, offering a balanced composition between urban vitality and residential calm. The residences range from two to four bedrooms, with floor plans ranging from 1,800 to 3,500 square feet. The building's design is a blend of Art Deco and modern architectural elements, featuring a distinctive Art Deco-style entrance, a central courtyard, and a series of cantilevered balconies. The building is set to be completed in early 2024.
