ABOUT THIS PROPERTY

I am excited to share details regarding a stunning property located in La Preserve, an exclusive gated community of only 64 homes. The property is a two-story residence with inspiration from French, Spanish, and Victorian architectural influences. This pristine two-story residence features four bedrooms and a sophisticated second-floor balcony. The interior is in immaculate condition, feeling very much like a brand-new home. The main floor is open and bright, with a large living area and a dining area. The kitchen is a chef's dream, featuring a large island with a breakfast bar, stainless steel appliances, and a walk-in pantry. The second floor has a master bedroom with a private bathroom and a large closet, and three other bedrooms, each with a closet. A second-floor balcony provides a great view of the property. For relaxation, the backyard features a private pool complete with a flowing fountain. Beyond the pool is a large lawn and a covered patio area. The property is overlooking one of the community's two lakes, providing a peaceful retreat.
