ABOUT THIS PROPERTY

Beautiful 2/2 home, which forms part of a duplex in Hollywood. The entire unit was refurbished approximately two years ago, which included new flooring throughout; including the two bathrooms. The unit comes with an eat in kitchen, but there is no assigned living area. The relatively spacious bedrooms, make it convenient for one bedroom to be utilized as a loft, for both living room and/or sleeping options. Each room can be accessed separately. There is ample space to park two cars along the driveway; and the property comes with plenty yard space at the rear of the property. Water, trash and landscaping is included in the rent. One of the city's elite Magna schools, is just a two minutes' walk from the property. The home is in close proximity to restaurants, major shopping centers, entertainment and the I95.
