ABOUT THIS PROPERTY

I'm delighted to introduce this exceptional 5-bedroom, 3-bathroom single-family home, perfectly situated on a quiet street in a desirable area. Inside, the home features a well-designed and functional layout with a combined living and dining area, a separate family room, and a modern kitchen complete with granite countertops and stainless steel appliances. The interior has been freshly painted and includes the added convenience of a first-floor bedroom and full bathroom, along with a spacious loft upstairs. The exterior is just as appealing, featuring a two-car garage with a paver driveway, a fully fenced backyard, and plenty of room to add a pool. Additional features include large windows, as well as a location within a community that offers low HOA fees and no CDD. Ideally located, this home provides easy access to the Turnpike, nearby shopping centers, restaurants, and schools, and is just a short drive from the Florida Keys.
