ABOUT THIS PROPERTY

Built in 1926 by George Fink, one of the founders of Coral Gables, this exceptional historic residence is a true Coral Gables gem. After two years of extensive permitting and approvals, the property offers a rare opportunity for the next owner to enhance or expand both a meaningful legacy and significant long-term equity potential in one of Coral Gables' most sought-after neighborhoods. The new owner can hit the ground running with a proposed two-story 4 bedroom/3.5 bathroom, 2,548 S/F pool home. Pictures feature the proposed rebuild project. **Pictures shown are the architectural renderings used for approval. This is not what the property looks like in
